PROFESSIONAL SUMMARY

Computer Science graduate with over 2 years of work experience in technical, process and hardware roles. Hands-on with PC hardware, troubleshooting, digital data handling and documentation. Detail-oriented, reliable and quick to learn, with clear communication in English and Hindi. Available immediately.

WORK EXPERIENCE

IT Associate | Wipro *December 2024 – May 2026*
Hyderabad, Telangana

- Resolved L1/L2 enterprise support tickets across Windows, VPN, and corporate applications via ITSM ticketing tools, maintaining SLA compliance.
- Administered user accounts, password resets, security groups, and mailbox permissions across Active Directory and Microsoft 365, ensuring smooth day-one onboarding for new hires.
- Executed standard workstation imaging, OS deployments, software patches, and remote desktop troubleshooting to minimize end-user downtime.
- Authored step-by-step troubleshooting guides and technical SOPs for the internal knowledge base, helping reduce repeat VPN and Windows configuration tickets.
- Maintained detailed incident logs and root-cause handover notes to streamline Level 3 escalations.

PC Builder & Hardware Specialist | Apex Systems & Hardware *August 2023 – October 2024*
Hyderabad, Telangana

- Assembled, configured, and benchmarked custom desktop PCs and high-performance workstations tailored to client budgets and technical workloads.
- Performed component-level hardware diagnostics, thermal stress testing, driver configurations, and BIOS/firmware updates, helping reduce post-sale hardware returns.
- Delivered on-site and remote technical support to diagnose hardware faults, network issues, and OS errors while recommending cost-effective upgrades.

CORE SKILLS

Technical Support: PC hardware assembly and troubleshooting, Windows 10/11 troubleshooting, BIOS/firmware updates, printer and peripheral troubleshooting, basic network troubleshooting

Office & Operations: Digital data handling, documentation and record keeping, following procedures and guidelines, attention to detail

Web Basics: HTML5, CSS3, JavaScript, ReactJS, Tailwind CSS, REST API integration

Soft Skills: Problem solving, written and spoken communication, teamwork, time management, customer support, willingness to learn

PORTFOLIO PROJECTS

- **Nex – IT Service Desk & Troubleshooting Knowledge Base**
  Link: https://abdulwahabrehan7.github.io/Nex/
  Built a web-based service desk reference covering step-by-step fixes for Windows issues, network connectivity, Microsoft 365 administration, user access and PC hardware diagnostics.
- **AutoWorth & Toursaza – Responsive Web Applications**
  Link: https://abdulwahabrehan7.github.io/Autoworth/
  Built and published interactive web applications using HTML5, Tailwind CSS, JavaScript and REST APIs, including AED vehicle valuation and travel discovery interfaces.

EDUCATION & CERTIFICATIONS

- B.E. in Computer Science Engineering — Osmania University (2019 – 2023)
- Full Stack Development Certification — NASSCOM (2024)
- Languages: English (Fluent), Hindi (Native)
